

Good Life

Song by G-Eazy and Kehlani

Lyrics

Raise a cup up for all my day ones

Two middle fingers for the haters

Life's only getting greater

Straight up from nothing we go

Higher than the highest skyscraper

No Little League, we major

The proof is in the paper

We put the good in the good in the good life

We put the good in the good in the good life

We put the bad in the past, now we alright (Eazy)

Ayy, ayy, ayy, ayy (Kehlani, I got you)

Ayy (yeah)

And it's a feelin' that I can't explain (I can't explain)

How you make it and your team still stay the same?

Stay down from the jump and they never change

Man, this a moment I could never trade, yeah (never trade)

I told my moms not to stress no more

Go hit the Bentley store and no credit card debts no more (I love you mom)

I bought the crib and it's in escrow now

So you don't never have to worry about how you gon' pay rent no more

I put my team in position, now they makin' a killin'

Stackin' blue faces straight to the ceilin'

Out in Vegas I'm with 'em
Orderin' bottles of that Ace when they send 'em
'Til there ain't enough space up on the table to fit 'em
Go ahead and
Raise a cup up for all my day ones
Two middle fingers for the haters
Life's only getting greater
Straight up from nothing we go
Higher than the highest skyscraper
No Little League, we major
The proof is in the paper
We put the good in the good in the good life (the good life)
We put the good in the good in the good life (I said the good life)
We put the bad in the past, now we alright (we alright)
Ayy, ayy, ayy, ayy (yeah)
Ayy (uh)
Pour some Clicquot in a glass, have a toast to success
No lookin' back from here, no more bein' broke and distressed
I put my heart into this game like I opened my chest
We only pray for more M's while you hope for the best
We make these plays, man, I'm finessin' these checks
Time's up for everybody, I'm collectin' on debts
And I swear this champagne just tastes better on jets
I'm just out here bein' great, man, this as real as it gets
I put my team in position, now they makin' a killin'
Stackin' blue faces straight to the ceilin'

Out in Vegas I'm with 'em
Orderin' bottles of that Ace when they send 'em
'Til there ain't enough space up on the table to fit 'em
Go ahead and
Raise a cup up for all my day ones
Two middle fingers for the haters
Life's only getting greater (yeah)
Straight up from nothing we go (load up)
Higher than the highest skyscraper
No Little League, we major (yeah)
The proof is in the paper (you know)
We put the good in the good in the good life (the good life)
We put the good in the good in the good life (I said the good life)
We put the bad in the past, now we alright (we alright)
Ayy, ayy, ayy, ayy
Ayy
Damn right, from the bottom we rise
So high, now we cover sky lights
We're building an empire
We owe it all to each other
Just look at us right now, destined
We're so good right now, legend
Here's to you and I
Raise 'em to the sky (yeah)
We put the good in the good in the good life
We put the good in the good in the good life

We put the bad in the past, now we alright (yeah)

Ayy (yeah), ayy (yeah), ayy (yeah, you know), ayy

Ayy (uh)

We put the good in the good in the good life (the good life)

We put the good in the good in the good life (I said the good life)

We put the bad in the past, now we alright (we alright)

Ayy (yeah), ayy (yeah), ayy (yeah), ayy (yeah)

Ayy (uh)

The good life
